Providing Family and Cosmetic Dental Services

Press Release

LOCAL DENTIST CHRISTOPHER T. BART NOW OFFERS SAPPHIRE™ CHAIRSIDE WHITENING

Warren, Ohio -- June 16, 2008 -- Dr. Christopher T. Bart, a dentist located at 5153 Mahoning Avenue, now offers Sapphire™ Chairside Whitening. Sapphire™ Chairside Whitening uses a hydrogen peroxide-based gel formula that is activated by the Sapphire™ light to whiten teeth. Dr. Bart's practice also offers the benefits of the Sapphire™ De-sensitizing Enhancer which guards the teeth from any potential sensitivity resulting from the treatment, as well as added fluoride that provides protection against demineralization and dental tooth decay. The combination of the Sapphire™ gel and the Sapphire™ light affords patients dramatic, near-instantaneous results, whitening over seven shades in one half-hour session and up to 12 shades in one-hour. Dr. Bart's patients are also given the Sapphire™ After Care Kit which includes Sapphire™ Home Whitening and Sapphire™ Brilliance Toothpaste to maintain their newly-whitened teeth. This is for patients who do not have white teeth or simply wish to make their smile brighter and more luminous. Patients can experience a simple, quick and effective tooth whitening treatment with Sapphire™ Chairside Whitening or any of the other whitening options available.

Dr. Bart also provides preventive dentistry, restorative dentistry, root canals, oral surgery, periodontics, caps, crowns, bridges, implants, full or partial dentures, bonding, Lumineers® teeth whitening, emergency dental care and welcomes children of all ages. Convenient office hours are available including early morning and evening hour appointments. For more information, please view www.christopherbart.com or email at doctor@christopherbart.com.

Christopher T. Bart D.M.D is a 1989 graduate of the University of Pittsburgh School of Dental Medicine where he received his Doctorate in Dental Medicine. Prior to dental school, he attended Washington and Jefferson College and has completed two Residencies after dental school. The first completed Residency was in General Practice at Western Reserve Care System in Youngstown and the second in an Anesthesia Program at MetroHealth Medical Center in Cleveland. Dr. Bart is on the active staff at Forum.

He resides in Warren, OH with his wife and two children.
