**FOR IMMEDIATE RELEASE**

**CHRISTOPHER T. BART, D.M.D. INSTALLS NEW DENTAL PATIENT EDUCATION  
SYSTEM AT HIS REMODELED DENTAL OFFICE**

Warren, Ohio -- April 17, 2007 -- Dr. Christopher T. Bart, a dentist located at 5153 Mahoning Avenue, has installed a new Dental Patient Education System designed by Caesy Enterprise at his remodeled dental office. Caesy presentations clearly explain the need for dental treatment, the treatment options, the consequences of delaying treatment, what the treatment entails and home care after treatment. It distributes multimedia patient education to patient care stations throughout Dr. Bart's office while simultaneously educating his dental patients on specific procedures in the operatory room, shows patient education in the reception room and creates multimedia CDs with presentations to send home with his patients.

Dr. Bart provides preventive dentistry, restorative dentistry, root canals, oral surgery, periodontics, caps, crowns, bridges, implants, full or partial dentures, bonding, teeth whitening, emergency dental care and welcomes children of all ages. Convenient office hours are available including early morning and evening hour appointments by calling 330-847-7333 or view services at [www.christopherbart.com](http://www.christopherbart.com). Dr. Bart can also be reached by email at [doctor@christopherbart.com](mailto:doctor@christopherbart.com).

Christopher T. Bart D.M.D is a 1989 graduate of the University of Pittsburgh School of Dental Medicine where he received his Doctor of Dental Medicine. Prior to dental school, he attended Washington and Jefferson College and has completed two residencies after dental school. The first completed residency was in General Practice at Western Reserve Care System in Youngstown and the second in an Anesthesia Program at MetroHealth Medical Center in Cleveland. Dr. Bart is on the active staff at Forum.

Dr. Bart resides in Warren, OH with his wife and two children.
